

**UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF PENNSYLVANIA**

Judge Eduardo Robreno

**UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF NEW YORK**

Judge Martin Glenn
Examiner Arthur J. Gonzalez

November 25, 2012

**Re: (MARDOC-MDL 875) cases; and In re: Residential Capital LLC, et al.,
respectively.**

Your Honorable Judges:

"May it please the Courts?" My name is Diana Lee Torrejon, I wish to intervene and invoke the jurisdiction of both Courts as a non-represented litigant. For, "Fraud Upon the Courts by Officers of the Courts" directed at the judicial machinery itself and a war against the Constitution.

To "Petition the Government on a Redress of the Grievances" for wartime injuries received followed by further injuries. "Frauds against the Government."

My "Due Process Rights" are being violated and I have been "Denied Access to the Courts," a Court of proper venue.

My Attorneys for the past (20) twenty years Ron Motley, Joseph Rice, Richard "Dickie" Scruggs and various other co-counsels are corrupt and they have willingly corrupted both Courts.

As I am, the Real Party of Interest an "insider" in the Global Settlement Agreement and Mass Toxic Tort Action. The beneficiary to numerous Trust Funds backed by United States Treasury Bonds and Double Dated Gilts issued by the Government of the United Kingdom to Lloyd's of London.

Privy to information known to some, such as, high ranking Officials in the United States, the United Kingdom and insiders in Lloyd's of London. (BUT) Not, the General Public.

Thereby, Claim a "breach of trust," a breach of fiduciary duties and responsibilities, aiding and abetting breach of fiduciary claims, tortious interference, breach of contract, "conflict of interests," Judicial Misconduct, extortion, interference with interstate commerce and other overt acts which rise to the level of Treason against the Constitution.

The Relief or Remedies I seek are for simple ministerial duties and responsibilities. Having upheld my portion of the contract a "specific performance."

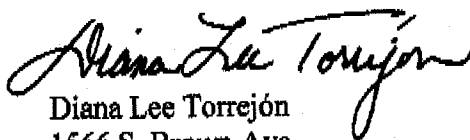

The Supreme Court said, "Justice must look like justice to an impartial bystander." So; To that end, I wish to testify to the greatest criminal conspiracy in United States history an Insurance Indemnities and Securities Fraud unparalleled in the financial world and a Global Economic Coup D'etat.

With all due respect your Honors, I am not an Attorney nor do I have any legal background. However, I indeed know the truth and I think I have "subject matter jurisdiction" back to Manville (Finley v Blinken).

Additionally, I have substantive evidence under 1104 (c) of the bankruptcy code the "scope of the investigation" to testify before the Examiner.

For the forgoing reasons Petitioner wishes to move both Courts to set a date and time so that she may appear and be heard in addition to a Writ of Mandamus to stay any further court proceedings or fraudulent monetary conveyances. Petitioner prays that your Honorable Judges will Grant the Motion.

Respectfully Submitted,

Diana Lee Torrejón

Re: *In re Pittsburgh Corning Corporation*, Debtors, United States Bankruptcy Court for the Western District of Pennsylvania, Chapter 11, Case No. 00-22876 (JKF)

Dear Client:

On April 15, 2000, Pittsburgh Corning Corporation (PCC) filed for Chapter 11 Bankruptcy protection. *In re Pittsburgh Corning Corporation*, Debtors, United States Bankruptcy Court for the Western District of Pennsylvania, Chapter 11, Case No. 00-22876 (JKF). If you have received these Solicitation Materials and have not returned a general power of attorney to our office, please do so immediately. If you have already returned the general power of attorney to our office, we will vote on your behalf in favor of this Plan, unless you direct otherwise, and you do not need to take any action.

Attention: Ron L. Motley Joseph F. Rice

RE: JOSEPH TOWERS TORREJON (Deceased)

Gentlemen:

This letter serves as Notice and to advise your Law Firm Motley Rice LLC of our "conflict of interests," a breach of contract. Breach to the *original* contract of representation entered into in February of 1992. With the then law firm of Ness, Motley, Loadholt, Richardson and Poole of South Carolina and various other co-counsels. Including, but not limited to Richard "Dickie" Scruggs of Mississippi. A Breach of the Global Settlement Agreement, Breach of Fiduciary Duties and Responsibilities, a Breach of Trust.

As I am, DIANA LEE TORREJON the Real Party of Interest, Trustee and the Personal Representative of JOSEPH TORREJON my beloved father. Not, CHRISTINA TORREJON his widow.

In January 1996, four years later, Ron Motley and Joseph Rice along with various other co-counsel including but not limited to Ward Keenan and Barrett of Arizona or Martzell & Bickford of Louisiana *illegally* entered into a *second* contract of representation with a *Mrs. Joseph Torrejon* or CHRISTINA TORREJON his widow, for higher contingency fees and other financial inducements. **It is a clear disregard for ethical practices governing concurrent conflicts of interests.**

On January 15, 1993 my father and I along with other family members living and dependent on him at the time became parties to a conditional certified class Carlough, et al v. Amchem Products et al, Case No. 93-CV-0215 in the *United States District Court for the Eastern District of Pennsylvania*. And agreed to not "Opt Out" or be excluded from the Class prior to the deadline of January 24, 1994.

Hence, Ness Motley *illegally* filed Torrejon v. A C & S Inc., et al, Case No. 2:95-CV-01722-CRW, one year later in Arizona. Including USDC 4:95-CV-00479 1 and USDC CV95-282-PHX-RGS. Please take notice those cases were filed prior to *any* contract of representation with *Mrs. Joseph Torrejon* or CHRISTINA TORREJON, his widow.

Be further apprised any Settlement Agreements such as the Fibreboard and Manville Settlements, any Indemnity Agreements or Covenants Not to Sue which CHRISTINA TORREJON *illegally* entered into after my father died on **April 22, 1994** is not binding, therefore **Null and Void**.

Secondly, In 2002 Motley and Rice *illegally* went to trial in New Orleans, Louisiana on a **Jones Act** allegedly for the "peripheral suits" in Arizona. The case Torrejon et al. v. Mobil Oil et al ended in 2004 with a JNOV Award to his widow CHRISTINA TORREJON for 1.8 Million Dollars minus Attorney fees and costs. **A continuing deliberate indifference to the laws, which is willful.**

Moreover, Joseph F. Rice is well aware that the *General Power of Attorney* granted and executed on January 22, 2004 to Joseph F. Rice or Motley Rice LLC Attorney, purportedly signed by myself DIANA LEE TORREJON, the claimant, authorizing and empowering Joseph F. Rice to act on my behalf as the *Personal Representative* of Joseph Torrejon, to act as my Attorney in Fact, with full power of substitution, to vote and in general to perform any act not constituting the practice of law, in all matters arising in the following cases, or to any entities who are currently, or who may at some point in the future file in any United States Bankruptcy Court, including, but not limited to:

General Electric; Manville; A.P. Green Industries; AC & S; Kaiser; Pfizer; Indrisco; Dresser World Industries; Halliburton; Kellogg Brown and Root; Harbison Walker; Amchem Products Incorporated; W. R. Grace; Babcock and Wilcox; Armstrong World Industries; Flintoke Co; Combustion Engineering; M. H. Detrick Co; Federal Mogul Global; G-I Holdings; North American Refractories; Pittsburgh Corning Corporation; Asbestos Corporation; Industrial Holdings Corporation; Celotex; Crown Cork and Seal; Rapid American Corporation; Plibrico; U. S. Mineral Products; Rock Wool Manufacturing; UNR Industries; Unarco; Amatex; H.K. Porter; Georgia Pacific Corporation; Standard Oil et al.; is a forged signature and a fraudulent document.

In February 1992 my father entered into a "Mass Toxic Tort Action" for his service connected injuries, which is continuous and ongoing against a Multi-National Military Industrial Complex during World War II, to which the United States (War Department/Department of Defense) is a party. Simultaneously, he entered into a Global Settlement Agreement for Asbestos. Global I, Global II and Global III.

In accordance with Admiralty Laws the Doctrine of Un-Seaworthiness or Death on the High Seas. He was considered a "ward in Admiralty" or injured seamen with Diversity of Jurisdiction and Diversity of Citizenship.

My father was a man of Honor. He was my Hero. A former United States Lieutenant Commander who fought in "two foreign theatres" during World War II, Europe and the Pacific. He was employed as the Chief Engineer aboard numerous Wartime Vessels and Wartime Oil Tankers owned and operated by "Big Oil," both governments of the United States and the United Kingdom, insured by Lloyd's of London.

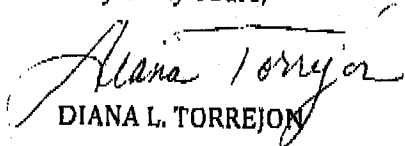

This is you final warning letter. Demand is made upon Motley Rice LLC to *cease and desist* from fraudulently continuing to represent my dear father in any capacity whatsoever. Such as in the (MDL 875) Multi-District Litigation Court in the *United States District Court for the Eastern District of Pennsylvania*. Currently against the KOCH BROTHERS, or Georgia Pacific, Standard Oil et al. Including, all their Subsidiaries, predecessor and successors.

Neither your Law Firm Motley, Rice LLC nor any various other co-counsels have any standing, power or authority to do so.

I have upheld my portion of the contract a "specific performance," the Relief or Remedies I seek are for simple ministerial duties and responsibilities. *Please confirm directly to me within 5 days of receipt of this letter your intent to comply.* Failure to do so shall result in additional criminal and civil causes of action, including Tortious Interference.

As I remain.

Very Truly Yours,

RE: Cease and Desist Letter

Dear Motely/Rice:

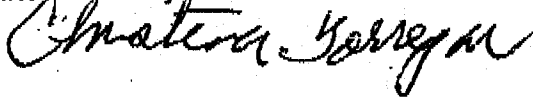

It is with considerable regret after 20 years of your Law firm representing the interest of my late husband that I must ask you to discontinue to do so. It was to the best of my knowledge or understanding that your law firm along with various other lawyers had stopped representing my husband in 2004 after the trial in New Orleans ended.

However, amongst the latest allegations of continuing fraud, conflict of interest, breach of contract, Breach of trust, and breach of fiduciary duties and responsibilities made by my daughter, Diana Torrejon as the Personal Representative to my late husband Joseph Towers Torrejon and the Estate. Against your law firm Motely Rice llc., and various other co-counsel including but not limited to Ward Keenan and Barrett of Arizona.

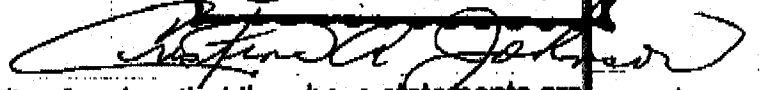

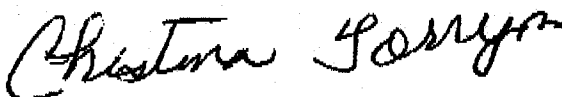

Affective Immediately, please Cease and Desist from illegally representing myself, my late husband, or the heirs, in any capacity what so ever. Which means, currently against General Electric, Georgia Pacific, Standard Oil, Residential Capital, and/or in any United States Federal Bankruptcy Courts, United States Federal Territorial Courts, or United States Federal District Courts. Please respond directly to me within 5 days receipt of this letter your intent to do so. Failure to do so will result in further criminal and civil actions.

Very truly yours,

Christina Torrejon
